GUIDE PRICE £230,000 - £240,000. Offered for sale with no chain involved is this well appointed three bedroom bay windowed semi detached home, positioned within this sought after part of Whiston. Featuring a larger than average rear garden that has been carefully maintained over the years, the property offers well balanced accommodation that is likely to appeal to a wide range of buyers including first time purchasers, families and those looking to downsize without compromising on outside space.

The property stands behind a lawned front garden with established borders, while a shared driveway to the side leads to a single garage and gated access into the rear garden. Internally, the accommodation begins with an entrance hall featuring a spindle staircase rising to the first floor landing, creating a welcoming first impression.

To the front of the property is the bay windowed lounge, a comfortable living space centred around a feature fire surround. The bay window allows plenty of natural light into the room and adds character to the overall feel of the property. A dining room works equally well for everyday living or when entertaining family and friends.

The dining room enjoys views over the rear garden and offers ample space for a dining table and additional furniture. Positioned to the rear of the

property, this room provides a pleasant outlook across the well stocked garden and connects conveniently with the kitchen.

The kitchen is fitted with a range of white wall and base units providing useful storage and worktop space. There is room for a range of appliances and the layout has been designed to make the most of the available space. A rear facing window overlooks the garden, adding to the bright and practical feel of the room. To the first floor, the landing gives access to three bedrooms and the shower room. There are two double bedrooms, both benefitting from fitted wardrobes, along with a further single bedroom which could also work well as a nursery, dressing room or home office depending on requirements.

The shower room has been refitted with a modern white three piece suite comprising shower enclosure, wash hand basin and low flush WC. Finished in a clean and neutral style, the room complements the rest of the property well.

Outside, the rear garden is one of the standout features of the home. Larger than average for the area,

it has been beautifully maintained and stocked with mature borders, established trees and a generous lawn area. The garden offers a good degree of privacy and plenty of space for outdoor seating, gardening or family use. There is also a useful shed with power connected, ideal for storage or workshop use.

Whiston continues to be a popular location thanks to its excellent access to nearby amenities and transport links. Local shops and supermarkets including Morrisons, Aldi and Tesco can all be found within easy reach, while nearby retail and leisure facilities are available at Parkgate Shopping Park and Crystal Peaks. The area is well served by local schools including Whiston Worrygoose Junior and Infant School and Saint Bernard's Catholic High School. For commuters, the property is ideally placed for access to the M1, M18 and Sheffield Parkway, making travel into Sheffield, Rotherham and further afield straightforward.
