Why you'll like it

This charming 2-bedroom end of terrace cottage is for sale in the sought-after village of Oakworth. Presented in immaculate condition, it has been thoughtfully renovated over the past eight years, while respecting its Grade II listed character.

Inside, you'll find one large welcoming open plan reception room (living/dining/work space) and a well-planned kitchen, enhanced by a distinctive stained-glass window that adds real character. The property benefits from hardwood external doors and windows fitted around six years ago, and all blinds are bespoke-made solid wood, contributing to a quality finish throughout.

To the front, the cottage enjoys pleasant views, creating a lovely outlook from the main living areas. There are front and rear gardens, offering space for seating, planting, or simply relaxing outdoors. The rear garden also offers the option to be converted into parking, subject to any necessary consents, providing useful flexibility for future owners. The home includes one bathroom serving the two bedrooms with ample storage.

Oakworth is well known for its friendly village feel, with local shops, primary schooling and everyday amenities close at hand. Keighley town centre is within easy reach by car or local bus services, giving access to larger supermarkets, leisure facilities and further schooling options. Nearby parks and countryside walks, including routes towards the Worth Valley, are ideal for those who enjoy spending time outdoors.

Overall, this well-presented cottage offers a comfortable 2-bedroom home in a pleasant village setting, ready for its next owners to move in and enjoy.
