Why you'll like it

A superb opportunity to purchase this generously proportioned four-bedroom Edwardian semi-detached home, offering approximately 1,185 sq.ft (110 sq.m) of versatile accommodation whilst retaining much of the character and charm associated with homes of this period. Situated within a popular residential road, an ideal family home with spacious living accommodation, an extensive rear garden and off-road parking, all within easy reach of Bournemouth town centre, local schools and award-winning beaches.

Upon entering the property, you are welcomed by a spacious entrance hallway. To the front of the property is a living room with characterful bay window, filled with natural light and offering an inviting space to relax. A feature fireplace creates an attractive focal point, whilst the high ceilings and generous room proportions add to the property's period appeal. The separate dining room provides an excellent entertaining space or could equally be utilised as a children's playroom, home office or second reception room.

The kitchen/breakfast room is located to the rear, extending to almost 23 feet in length. Offering an abundance of worktop space and storage together with ample room for a family dining table, this sociable space forms the heart of the home and enjoys direct access to the rear garden. Completing the ground floor is a useful shower room with separate WC, adding practicality for modern family living. The first floor offers four well-proportioned bedrooms, making the property ideal for growing families or those requiring dedicated home office space. The master bedroom is a generous double overlooking the front aspect, whilst the remaining bedrooms provide flexible accommodation suitable for children,

guests or used for remote working. A modern family bathroom serves the first floor and is fitted with a contemporary white suite including bath with shower over, wash hand basin and WC.

Outside, one of the property's standout features is the extensive rear garden. Predominantly laid to lawn with mature planting and established trees, the garden offers enormous potential for families, keen gardeners or those wishing to create outdoor entertaining areas.
