The layout is both practical and well designed, complemented by integrated appliances and a window providing natural light and ventilation, a feature not always

found in similar apartments within the development.

There are three bedrooms, with the principal bedroom enjoying its own ensuite shower room. The remaining bedrooms are well sized and offer flexibility, whether for guests, working from home or additional reception space.

A separate bathroom serves the remaining accommodation.

The property has recently been redecorated and fitted with new carpets in the main living areas and bedrooms, allowing a straightforward move for an incoming purchaser.

Further benefits include double glazing, gas fired heating, an entry phone security system, well maintained communal grounds, allocated parking and additional visitor spaces.

Offered for sale with no onward chain, this is a rare

opportunity to acquire one of the brighter and better positioned apartments within the development.
