Set within the grounds of Horsham's historic Manor House, just moments from the town centre, this substantial townhouse offers well balanced accommodation arranged over three floors.

While enjoying all the benefits of a central location, the property sits within a quiet and established development, combining privacy with exceptional convenience.

The layout is arranged to suit modern living, with the ground floor centred around a kitchen and dining room that forms the heart of the home.

The kitchen is fitted with a comprehensive range of units, ample work surfaces and a central island, and is fully equipped with integrated appliances including dishwasher, washing machine, fridge freezer, oven, hob and extractor.

Double doors open directly onto the rear garden, creating an easy connection between indoor and outdoor living and making this an ideal space for both everyday use and entertaining.

A separate reception room on the ground floor provides valuable flexibility, equally suited as a formal sitting room, home office or occasional guest space, supported by ground floor facilities.

In addition, the property benefits from excellent built in storage, with cupboards within the main hallway, useful under stair storage and an airing cupboard on the first floor, ensuring the space remains practical as well as well proportioned.

The first floor offers a sitting room that provides a more relaxed living area, along with a well proportioned bedroom featuring fitted wardrobes and served by an ensuite shower room.

The second floor completes the accommodation with a notably large bedroom arrangement, offering a sense of scale rarely found in comparable town centre homes, together with a further bathroom.

Externally, the rear garden has been thoughtfully arranged to provide a private and sheltered setting for outdoor dining and relaxation, with established planting adding to the sense of seclusion.

A rear gate provides direct access from the garden into the gated parking area.

Gated parking for one vehicle is provided within the development, with pedestrian access routes leading directly into Horsham town centre, the Causeway, Denne Hill and surrounding amenities.

The property is offered to the market with no onward chain, presenting a rare opportunity to secure a town centre home within one of Horsham's most desirable and historic settings.
