Claremont Cottages

Guide Price £495,000

- CHARACTER COTTAGE
- STUNNING COASTAL VIEWS
- SHELTERED REAR COURTYARD GARDEN
- GLAZED BALCONY
- VERSATILE ACCOMMODATION

A handsome end of terrace, characterful cottage, tucked away on a quiet lane just above The Greenbank, with delightful river views and a sheltered enclosed courtyard garden where you can enjoy the sunshine and sea air!

Enjoying an elevated position on a little lane just off Claremont Terrace is this two, potentially three-bedroom cottage which has been sympathetically updated whilst retaining its character.

Entering the property from the lane which is Claremont Cottages, you first come into a porch with a part glazed door and a traditional tiled hallway with a lovely plaster arch. The lounge is to your immediate left and has a recessed window to the front and a feature fireplace with built-in cupboards either side of the chimney breast.

To the rear of the ground floor is a bright kitchen, with glass doors opening onto a glazed balcony which gives wonderful far-reaching river views. A truly wonderful spot to sit and enjoy your morning coffee! The kitchen is presented very well with a range of fitted units including an integrated fridge-freezer and an integrated oven and 6 burner gas hob. There is a tiled splash back above a Corian worktop along with a ceramic 'butler's sink' and space for a small dishwasher as well as a breakfast table.

Stairs in the corner lead down to the lower level which is a versatile room, with ensuite shower room, and opens out onto the rear courtyard garden. This would be great for guest accommodation or for use as a home office.

From the hallway on the ground floor there is a graceful, turned staircase leading up to the first-floor landing with a window giving beautiful river views and providing lots of lovey natural light.

There are two double bedrooms, both with a built-in wardrobe, and the rear having gorgeous sea views. There is an immaculate modern shower room, part-tiled and with a large shower enclosure, a basin set into a vanity unit with drawers and a heated towel rail.

To the rear is a superb, sheltered two-tiered courtyard style garden. There is a sunken seating area adjacent to the cottage and then an upper gravel patio, bounded by red brick and stone walls, with raised planted borders. Both areas catch the sun for much of the day and provide the perfect setting for al-fresco dining!

A viewing appointment is highly recommended to appreciate what this stunning property has to offer! Sympathetically presented accommodation combined with 360° panoramic views from the rear, spanning the Penryn River, from Flushing across to St Mawes and St Anthony's Lighthouse.
